- We co-create solutions instead of choosing blame and criticism.
- We create moments of play at work.
- We take care of each other, and help each other grow.

CONTINUOUS LEARNING

- We view every situation as an opportunity to learn (especially when the going gets tough)
- We're more interested in learning than being right.
- We value giving and receiving regular feedback.
- We learn from and mentor those around us.

EFFICIENT EXECUTION

- We complete high quality work quickly by working smarter, not harder.
- We value completing tasks, instead of just talking about them.
- We prefer automation over manual work.
- We prioritize, focusing on the 20% that will get us 80% of the impact.

FUNDS MANAGEMENT

Started in 2020, the Funds Management business supports new and emerging investment platforms through their launch and growth phases.

Funds Management builds on the Company's success in Investment Management supports the move towards a leader in alternative investing. Leveraging the Group's rich business heritage, global network, and strong financial position, Funds Management provides managers significant investment capital as well and operational and financial support to grow their portfolio.

In addition, this platform gives investors access to multiple boutique fund managers through an institutional platform backed by a premier listed financial services company.

In recent years the investment industry, and in turn investors, have introduced a new gauge: Corizon Funds Investment – Environment, Social and Governance as a supplement to traditional financial gauges.

Corizon Funds Investment changes are happening faster than ever, reshaping how people live and invest.

We believe that Corizon Funds Investment factors are going increasingly mainstream and can be used to drive investment Outperformance.
